Materials

(MC) 1 skein Brown Sheep Nature Spun Sport Weight (100% wool; 184 yd [168 m]; 50g), color: Brick Road (#225S)

(CC) 1 skein Brown Sheep Nature Spun Sport Weight (100% wool; 184 yd [168 m]; 50g), color: Sunburst Gold (#308S)

Any sport weight cotton or merino wool that matches stockinette gauge for the lining

Waste sport weight yarn

size US 5 [3.75 mm] 16" circular needle or set of 5 DPNs

Tapestry needle

Yarn Substitutes

Any sport weight wool for the hat, sport weight cotton or merino for the liner

Measurements

Circumference: Fits up to 22" head. For larger heads, go up one to two needle sizes.

Brim to crown: 7". For longer hats, add pattern repeat(s) *before* the crown shaping. Be sure to end at the prescribed point for the crown shaping.

Gauge

26 sts and 28 rows = 4" [10cm] in stockinette

30 sts and 30 rows = 4" [10 cm] in colorwork pattern

NOTE

Be sure to swatch for the colorwork gauge! Colorwork can magnify differences in tension between one knitter to the next. If you want your hat to fit, be sure to make the colorwork gauge!!!

Using waste yarn, provisionally cast on 144 stitches. Join MC, work through as charted below. Weave in ends.

For hat lining, remove waste yarn and pick up stitches. Purl one row with MC, making sure to decrease evenly across the row until you have 120 stitches. The purpose of this decrease on the purl row is to ensure that the brim of your hat does not awkwardly flare out. Knit one row. Join lining yarn. Continue in stockinette stitch for 2-3". Bind off *loosely*. Sew liner into hat.
